Hi Tita. Sorry I'm a bit late getting back to you. Our office was closed on Friday due to high winds, and I was off yesterday.

Anyway – I'll give you call later in the week to catch up (I'm kinda busy now with a couple fire drills). If it can't wait till then, feel free to give me a call.

Good morning Mr. Galbraith,

I hope it is warming up in Washington, as it is here in CT today! 50's on Thursday!!!

As a result of our last visit at your offices I realized I owed you the following information, I sincerely apologize for the delay.

“On approximately April 23, 2002, Pollution Control Industries, Inc. (PCI) met with Ms. Elaine Eby, Mr. David Carver, Mr. Rick Brandes, Mr. Bob Holloway, and Mr. Jeff Gaines at USEPA's office to discuss the new SDS Recycling technology.”

Please let me know if you have any questions.

Respectfully,

Tita

Physical address is below:

2777 Crystal Drive (S6626)
Arlington, VA 22202

PS – this happens all the time (our ups address is not intuitively obvious..... I should change my electronic signature for my emails – but adding a separate address for ups deliveries is also confusing....)
